

# WILSON UNIVERSITY

## MISSION STATEMENT

*Wilson University empowers students to become world-class leaders through spiritual formation and Christian higher education in an environment that embodies the Pentecostal ethos.*

## PROGRAM HIGHLIGHTS

- Fully accredited. Fully apostolic.
- Affordable tuition with monthly payments allowing you to graduate debt-free.
- 100% online courses that can be taken from anywhere in the world.
- Transformational programs that challenge you academically, intellectually, and personally.
- Learn at your own pace.
- Personal attention from professors with real-world experience within their respective fields.
- Take classes one-at-a-time.
- Convenient and flexible so you can balance your personal and professional commitments.
- Transfer previously earned college credit.
- Interact with fellow students in a highly engaging course platform.
- Unique blend of readings, lectures, assignments, and discussion boards.
- Enhance your biblical knowledge and Christian worldview.
- Start earning your degree now!

## HOW ONLINE COURSES WORK

### Preparation

- Watch the course trailer to preview what you can expect to learn in the course.
- Take a brief initial assessment to gauge your existing knowledge and help you know how to maximize your time.

### Coursework

- Study course resources including readings and lectures at your own pace.
- Participate in threaded discussions with your instructors and classmates.
- Practice with flashcards, non-graded quizzes, self-assessed exercises and graded assignments.

### Assessment

- Complete the final exam when you're ready.
- Assess your readiness by taking a pre-final exam to check your understanding of the important concepts from the course.
- Develop a final project that is engaging and relevant.

# Associate of Arts in General Studies

## Concentration in Christian Leadership

### PROGRAM OVERVIEW

The A.A. degree program is recommended for students who plan to further their education in a vocational field, seek entry-level employment, or pursue a four-year degree program. Degree-seeking students progress through the 60-unit curriculum by completing 54 units of general education and 15 units in the Christian leadership concentration.
